St. Andrew's Parish Fair Committee

On behalf of the St. Andrew's Parish Fair Committee, I would like to thank all our volunteers for their dedication and hard work. Great results, as we have had this year, can not be achieved without our Schools and Parish Communities working together. God has granted this Parish with many gifted people and we appreciate that you use those gifts in support of the Parish. We look forward to seeing you all again next year.

Lou Sullivan, President St. Andrew's Parish Fair

Car Raffle Team

We would like to thank everyone who supported the Car Raffle by purchasing and selling tickets, especially our faithful sellers after Weekend Masses and Baptism Services and everyone who helped sell tickets at Pacific Werribee. Your contribution is greatly appreciated.

Gerald Fastuca, Jen Climie, Ben Minness

Plant Stall

Bravo and merci to all those who have made our plant stall at the 2017 St Andrew's Fair a success. To the many who have spent hours planting, watering and caring for plants which were donated to our stall, thank you. To all helpers and committed customer service assistants on Saturday, my heartfelt thanks. May God bless you all abundantly in all your endeavours. See you in 2018. Marie Hélène Chong

Letter from the Car Raffle Winners:

Dear Fr. Frank, the wonderful news that we have won this year's St. Andrew's Car Raffle is truly a blessing and a testament to God's generosity to our family. We would like to thank you and acknowledge the great efforts and hard work of the Parish Fair Committee and the Car Raffle Team in organising this raffle. We recognize the commitment and dedication of every volunteer in these committees, many of whom have been supporting the Parish for many years. Our special gratitude also goes to the sponsor, Ballan Holden Werribee for their continued support for this major fundraising event for the parish of St. Andrew's Werribee.

Since we moved to this area, about 10 years ago, we have always felt part of the St. Andrew's Parish family, and as we now look back, we are so grateful and appreciative of the welcoming spirit of this parish community which has helped us settle in and start our new life in this part of Melbourne. We are thankful for the caring faith community and the Catholic education that our children grew up in at Bethany Primary School and MacKillop Catholic Regional College. We'd also like to thank all the parishioners of St. Andrew's Parish Werribee and encourage them to continue supporting all the activities of the Parish, especially the annual fair and car raffle. The involvement of everyone gives life to the Parish and allows us to grow together as a community of Faith. Above all we praise and thank God for His generous gift of love. May God bless you all. Yours in Christ, Gerry & Cherry Balolong
